PROFESSIONAL SUMMARY

Organized and adaptable graduate with a B.A. in English and Literary Studies (Second Class Upper, 2:1) and practical experience across customer service, operations support, administrative coordination, digital communication, marketing support, record management, and client engagement. Experienced in handling customer enquiries, maintaining accurate records, coordinating schedules and tasks, preparing and organizing information, supporting business operations, and communicating effectively with customers, colleagues, and stakeholders. Comfortable working with digital tools, managing multiple priorities, and learning new systems quickly. Currently serving as an NYSC Corps Member, with additional experience supporting financial and administrative activities as a Financial Secretary. Seeking opportunities to contribute strong communication, organization, problem-solving, customer-focused service, and operational support skills within a growth-oriented organization.
